

# YOUNG WOMEN - YOU ARE INVITED...

## What is MyRoad?

MyRoad is an online mentoring / work readiness program that connects young women aged 16-19 across the country with skilled industry mentors.

## What will you get out of it?

Experience in using online communication and videoconferencing and a certificate of attainment to put on your resume or university application. It is also a chance to learn from a person in the workforce, share your aspirations with them and have fun!

IMAGINE - PICTURE - PLUG INTO - CONNECT - LIVE - CELEBRATE - YOUR FUTURE

## How long does the program take?

Your total time commitment is for a single two-hour MyRoad session. Register your interest today!

A gift for you

*"My favourite thing was how unique the whole experience was. We'd never done anything like this before. It was also very helpful in looking at different aspects of our future aspirations."*
