Facilitator

Renee

Beacon Foundation

Renee is all about creating authentic connections with people of all ages. Her long-standing career in the Hair & Beauty Industry developed her into an effective communicator with the ability to connect with others and help fuel her passion to help people on a deeper level.

In recent years, whilst owning and operating two small businesses, Renee has volunteered her time within local primary schools to deliver programs and workshops focusing on self-confidence, resilience, inner strength and unlocking potential.

And so began Renee's journey with us at Beacon as Lead Facilitator Tas (South) for our High Impact Programs and a new member of Beacon's Collective Ed Team at Bayview Secondary College. Renee absolutely loves her roles with Beacon. She feels extremely lucky to have found a role that marries together her skills, passions and sincere desire to see young people realise their full potential.
